

HOTEL RESERVATIONS

(updated 16 Apr)

As of 16 Apr, over **one-thousand room-nights** have been reserved at Hotel Polaris and Great Wolf Lodge for our Reunion with a peak of **275+ individual rooms** spoken for on Thu, Fri, and Sat nights across the two Hotels.

Although the Room Block we contracted for at Hotel Polaris is essentially SOLD OUT, if you've made a late decision to attend some or all of our Reunion, we encourage you to go ahead and secure a reservation at either Hotel Polaris or Great Wolf Lodge **today** through either the reservation websites or by calling the Hotel Reservation Staff directly.

Keep in mind that history shows that there will likely be fluctuations in the overall reservations picture between now and mid October (e.g. date changes, cancellations, etc). Our counsel is to **make a reservation NOW** and then periodically check back on what's available and modify things as you feel is appropriate.

Note: Given the limited number of rooms available at Hotel Polaris on Thu, Fri, and Sat nights, each Classmate should make **only one Reunion reduced-rate guest room reservation**. If others will be joining you for some or all of Reunion week, please make those additional reservations through the hotel's main website or by calling Hotel Polaris.
